

Solo Traditio Type 23821

Compact solution for industry and craft business

Optimal sole and sole side cleaning

The compact sole cleaner Solo Traditio type 23821 cleans soles and side rims with a rotating brush roller and lateral flat brushes. Due to the space-saving design as a wall unit, the Solo Traditio is ideal for placement in passageways and niches. Built for medium-sized, small-scale but also industrial companies in areas with low staff frequency.

Version

- Space-saving design for wall mounting
